District Cancer Control Programme

A scheme for district project (duration-five years) for health education, detection and pain relief measures under National Cancer Control Programme was initiated during the year 1990-91. In this scheme, financial assistance of Rs. 15.00 lakh is provided to the State Government/UT administration for each district selected under the scheme with a provision of Rs. 10.00 lakhs per annum for each district for the remaining four years of the project period. After five year, the project is to be taken over by the State Government. Two committees are to be constituted; one at the State level and other at the District level. The State Government may issue administrative orders in these regards.

The Utilisation Certificate in respect of the each scheme where grant-in-aid was released earlier is required to be submitted. State Government/Institution are to ensure that the Utilisation Certificate along with the copies of the relevant audited accounts may please be enclosed for ready reference in each case.

Drugs for AIDS control

3980. SHRI K. KALAVENKATA RAO: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether it is a fact that Cipla Company has offered to supply drugs to control AIDS; and

(b) if so, its approximate cost and allocation proposed for AIDS control in the country commensurate with the actual expenses of the medicines?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRI A. RAJA): (a) Yes, Sir. Cipla has offered an International NGO based in

France and not to National AIDS Control Organisation/Govt. of India.

(b) The approximate cost of the drug is US$ 350 per person/per year. India is not providing anti-retrovirals in the National AIDS Control Programme.

WHO's World Water Commission Report

3981. SHRI KRISHNA KUMAR BIRLA: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether, according to WHO, nearly one million people in India die every year due to diseases caused by inadequate sanitation, hygiene and water supply;

(b) if so, whether Government have gone through WHO's World Water Commission Report in this regard;

(c) if so, the details thereof; and

(d) the reaction of Government on such remarks made by WHO?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRI A. RAJA): (a) WHO Representative in India has stated that they have no information regarding the alleged death of one million people in India due to inadequate sanitation, hygine and water. They have stated that there is no "WHO World Water Commission Report" but there is "World Water Vision Commission Report". This report also does not appear to have a reference to deaths in India.

(b) to (d) Do not arise in view of above.
